

einde

A large red fire truck-shaped board with 35 numbered slots. The slots are arranged in four rows: the top row has slots 29-35, the second row 28-22, the third row 15-21, and the bottom row 14-8. The bottom-most row contains slots 1-7. The board is divided into four sections by blue paths. Various fire truck tools are placed on the board with arrows indicating their path: a fire hydrant at slot 31, a fire extinguisher at slot 26, a fire axe at slot 20, and a fire ladder at slot 10. A fireball with a sad face is positioned at the end of each section.
